

## FOUND DOG OR CAT

You found a dog or cat so now what do you do? We'd like to help make the experience **rewarding**, not frustrating. Hopefully, you and BAHS can together find the best solution.

### **Please do the following:**

- 1. First, send a picture or description to our email address**  
([bahshelter@yahoo.com](mailto:bahshelter@yahoo.com)) and to Animal Rescue Connection ([rescue@gvtc.com](mailto:rescue@gvtc.com)). If the owner has contacted us, we can help get things worked out. BAHS would like to take in all lost pets, but we only have room for so many.
- 2. Take the dog to an area veterinarian for a microchip scan:**  
Bulverde Animal Hospital 830-980-9755  
Country Hills Vet 830-438-2269  
Animal Hospital of Smithson Valley 830-438-8885  
Banfield Hospital at all Petsmart's  
If the animal is sick or injured, take it to one of the above Vets or to the Sonterra Emergency Clinic. 210-830-8383
- 3. Consider:**  
File a lost & found report with Man & Beast 210-590-7387  
Place a free ad in San Antonio Express News 210-250-2345  
Prepare a flyer/poster with picture and description and post at area  
**(Make flyers here, complete with photo: <http://www.petbond.com>).**  
Veterinarian Bulletin boards, groomers, pet stores, gas stations, schools and on telephone poles.
- 4. Contact these animal shelters:**  
Canyon Lake: 830-899-2527 (\$100 surrender fee plus ask about No Kill status)  
SA Humane Society: 210-226-7461  
Animal Defense League: 210-655-1481
- 5. Post on these websites with your information:**  
[www.petfinder.com/classifieds/classifiedhop.html](http://www.petfinder.com/classifieds/classifiedhop.html)  
[www.craigslist.org](http://www.craigslist.org)

[www.petharbor.com](http://www.petharbor.com)  
[www.sapets.com](http://www.sapets.com)  
[www.timberwoodpets.com](http://www.timberwoodpets.com)

If nothing works in a couple of days, **email us again** and request placement on our Waiting List. We will do everything possible to make things work.

**BAHS applauds what you are doing for this lost animal.**
