

# ***THE CATTERY of BAHS***

*The cats in The Cattery range in age from 2 to 15 years. Eight of the residents have been here most of their lives. They include Buster, E C, Morris, Sharpey, Sparky, Spice, Tommy, and Yipe Stripes. The others are more recent additions. When the kittens at BAHS are not adopted and “celebrate” their first birthday here, they are moved from the Kitten Room to The Cattery. This is what happened to Alvin and Simon. Both came to the shelter as young kittens and are now adult cats in The Cattery.*

*There are some wonderful cats in The Cattery, just waiting for their “furever” home. If you would like to open your heart and home to one of our adult cats, we will waive our usual \$65.00 adoption fee(\*) and let you take one of these “purrfect” felines home for any donation you would like to give BAHS.*

*Come meet The Cattery residents and consider taking home one of these great cats!*

*(\*) Does not apply to kittens*
